American Community Survey data from [census.gov](http://census.gov), Tables B19013, 1-year estimates

Note: This edition corrects an incomplete citation in an earlier source document. For Associate Degree or Higher, the previous edition listed [luminafoundation.org](http://luminafoundation.org) as the sole source. The ranking and trend data for that indicator come from the American Community Survey, with only the group data coming from the Lumina Foundation.
